Financial Aid Check Disbursement

All financial aid checks are mailed to the mailing address on the CSULA self service student center website on GET @ (https://get.calstatela.edu). Please ensure the University has your correct/current mailing address on GET. Checks should be available by the beginning of the quarter. For further information concerning anticipated disbursement dates, please check the Center for Student Financial Aid website @ (www.calstatela.edu/univ/finaid).

Students receiving ASI Grant in Aids, Athletic Grant in Aids and Nursing Student Loans must pick up their checks in person. To pick up a check, all Cal State L.A. students are required to have a One Card Student ID. Disbursement Office hours are: Monday-Thursday, 8 a.m. – 6 p.m. and Friday, 8 a.m. – 5 p.m.

Winter 2016 First Disbursement: January 4, 2016

Federal Perkins Loan and Nursing Student Loan

Please contact Student Loan Services and Collection at (323) 343-3580 to make an appointment for Orientation and location. Orientation Schedule: Monday-Thursday: 10 a.m., 2 p.m. and 4 p.m.

STUDENT HEALTH CENTER

Campus Health Requirements

Measles and Rubella (M/R) Immunizations
Students born after January 1, 1957, are required to present proof* of measles and rubella immunizations. Students born in 1982 or later (1983, 1984, etc.) who were enrolled in a California public school will have satisfied this requirement (you will not need to bring proof of immunization to the Student Health Center). Students will not be able to register for a second quarter until this requirement has been completed.

*Acceptable proof is a written document, such as immunization card signed and dated by a licensed health care provider or photocopies of high school immunization records.

Hepatitis B Immunizations
All new students 18 years of age and younger are required to present written proof* of immunization against hepatitis B. Hepatitis B immunization consists of a series of three injections. Students born in 1982 or later (1983, 1984, etc.) who were enrolled in a California public school will have satisfied this requirement (you will not need to bring proof of immunization to the Student Health Center). Students will not be able to register for a second quarter until this requirement has been completed.

*Acceptable proof is a written document, such as immunization card signed and dated by a licensed health care provider or photocopies of high school immunization records.

Meningococcal Vaccine
Housing Services will provide all freshmen who will be residing in on-campus housing with a meningococcal disease information form. The form must be returned to Housing Services indicating the student’s receipt of the information and their decision to receive or decline the vaccination for meningococcal disease.

Tuberculosis (TB) Screening
On-campus housing residents must do one of the following:
1. Provide an acceptable proof of negative TB skin test or chest x-ray taken within a year of their move-in as stated in the Housing Services Tuberculosis Verification form*.
2. Fill out a TB Screening Questionnaire* and complete the TB screening process.
   *Both forms are available at Housing Services, the SHC, and the SHC’s website.
