PAYMENT FOR TUITION AND FEES
Please note that all tuition and fees are subject to change.

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Fee Payment

You must pay all required tuition and fees before registering for classes unless these will be paid by financial aid, a sponsor or through a payment plan. Registration dates are determined by the Registrar’s registration schedule and payment of fees must occur prior to your registration date. For your convenience, there are three methods of payment:

In Person:
Payments by cash or check must be paid prior to enrolling for classes. Your full payment will allow you to register on the same day, if it is your scheduled appointment date on GET. The Cashier’s Office hours are 8:00 am to 6:00 pm Monday thru Thursday and 8:00 am to 5:00 pm on Friday.

Web Payments:
Credit card, debit card, and electronic check payments can be made through CASHNet SmartPay – you must pay your fees in full prior to registering for classes. SmartPay operates 24 hours a day; seven days a week. Checks not honored by the bank, including checks upon which a “stop payment” has been issued, will result in the withholding of transcripts and enrollment authorizations for future quarters and will be cause for cancellation of the student’s registration for the quarter to which the fees were intended to be paid. A “stop payment” on a check does not constitute withdrawal from the University. Students are required to pay in full for the dismissed item plus a $25 for the first dismissed check and $35 for each subsequent check.

Mail or Depository Drop Box:
Check or money order payments mailed or drop off in the Cashier’s depository drop box may take three business days to process before you can register for classes. The Cashier’s Office is not responsible for payments sent by U.S. Mail until received. For late registration, students must submit their fees, plus a $25 late fee, in person at Adm 128. Checks not honored by the bank, including checks upon which a “stop payment” has been issued, will result in the withholding of transcripts and enrollment authorizations for future quarters and will be cause for cancellation of the student’s registration for the quarter to which the fees were intended to be paid. A “stop payment” on a check does not constitute withdrawal from the University. Students are required to pay in full for the dismissed item plus a $25 for the first dismissed check and $35 for each subsequent check.
